

**David Arambula**  
**Councilmember**

David Arambula is a veteran of the Marine Corps, proud father of three wonderful children (one of whom is currently serving in the Coast Guard). After serving our country honorably, David attended undergraduate, graduate (business) and law school.

David has been a strong advocate for working people for many years and he firmly believes in working together to find solutions to common issues in the community. David serves on the MTS Executive, Budget and Finance and Public Safety Committees, among others.

David believes Lemon Grove residents deserve a city government that actively seeks input from residents and businesses, identifies relevant issues and takes the steps necessary to address the residents' concerns in a timely manner. Placing people before politics and getting results is David's motto.

David will remain focused on protecting our families and ensuring safe neighborhoods, constructing/repairing sidewalks, streets and other infrastructure, creating partnerships with new and existing businesses to rebuild downtown and create more local jobs, revitalizing Lemon Grove.

Together, we can build a prosperous Lemon Grove. Thank you for your vote!

David Arambula
